## GBC enters into new partnerships.

GBC – General Business Consultants Inc. has entered into new partnerships to provide virtual office management and web hosting services to valued customers.

**[GBC becomes an iPowerWeb Business Partner.](#)**

**Pinebrook, NJ, USA June 16,2006**

After several years of using [iPowerWeb's](#) web hosting service, [GBC](#) (General Business Consultants) has decided to partner with [iPowerWeb](#) to deliver a reliable solution to our customers. We at GBC believe that this partnership will enable our clients to establish and enhance their Internet presence.

Through this collaboration, GBC hopes to provide innovative solutions to customers looking to obtain web hosting tools capable of multi-layered and secured level B2B and B2C services. This service includes Domain Registration, Web Hosting and Webmail among others.

**[GBC becomes a GotVMail Business Partner.](#)**

**Pinebrook, NJ, USA June 12,2006**

The [GBC management](#) adopted Voice over Internet Protocol (VoIP) services for efficient telecommunications in [September 2004](#). After a rewarding experience with this service, GBC has decided to partner with [GotVMail](#) to deliver virtual office management services to our valued customers.

Services include:

- Auto-Attendant / Custom Main Greeting
- Multiple Mailboxes/Extensions
- Live Call Forwarding with Music-on-Hold
- Dynamic Operator Extension

These services are sure to make your company more agile in responding to customers' demand for expedient service. GBC believes that these partnerships will result in a more robust and versatile package for our diverse clientele.

**[About GBC](#) - General Business Consultants, Inc.**

GBC is an innovative and dynamic information technology services company. Our expertise ranges from strategy and business development to systems integration and business intelligence. For more information, visit [www.gbc-inc.net](http://www.gbc-inc.net).
